Product overview
2013

Dear Readers,

Welcome to WEPA Professional – your reliable partner in the field of cleaning and hygiene. In this new edition of our product overview, we would like to present to you our range and its added benefits.

After the successful market launch of the brands WEPA prestige, comfort and smart in 2012, we have expanded our range with numerous product optimisations, certifications and new developments. For example, we will adapt the roll diameters of our 3 and 4-ply toilet papers to enable more items per pallet - an important factor in times of rising storage and logistics costs. All products were tested and approved in accordance with the "Notices on hygiene paper evaluation". Our kitchen, centerfeed and cleaning rolls were awarded the food safety certificate. And your wishes as customers were also considered: We have included WEPA prestige tissues, camomile toilet paper and the XXL kitchen paper roll with unbeatable ecological efficiency in our range of products.

You can also look forward to: a fresh design, helpful downloads, transparent menu navigation and the latest information on our "new" website www.wepa-professional.de.

We're looking forward to your enquiries and hope to hear from you soon.

Yours,

Dr. Benno Hundgeburt Martin Rohde
Managing Directors WEPA Professional GmbH

About WEPA Professional

WEPA Professional is a 100% subsidiary company of the WEPA Group. With over 2,900 employees and 10 locations across Europe, we play in the Premier League of the European sanitary paper manufacturers. This ensures that our customers receive a first class reliable service with quality products that are accredited to the highest European standards at competitive prices.

Environment & Responsibility

As a responsible manufacturer of sanitary paper, the WEPA Group has been paying attention to using sustainable resources and paper production in conformity with the environment for many years now. A large part of our sanitary paper products consists of 100% recycled materials and is FSC or PEFC-certified. The WEPA Group was also certified in acc. with ISO 9001 and ISO 14001 and engages itself in the "EU-Ecolabel" as well as "Blauer Engel" projects.

Quality & Logistics:

WEPA unites top-class paper production know-how with unique technical equipment. Constant product development, a consequent market orientation and Europe-wide sales are our guarantee for continuous innovation and advancement. With our highly modern warehouses and sophisticated logistics, we ensure delivery performance on the highest level.

Service & Availability:

Our experts will gladly assist you with your purchasing decision. Whether at short notice on the telephone, by fax or e-mail or in a personal talk on site. Our website www.wepa-professional.de always provides you with the latest news, the most current overview of our entire range and interesting facts about paper production, use and hygiene. EDI interfaces or e-data for your ERP system are also easily realized.

Print errors and changes excepted.
All deliveries and payments are subject to our
General Terms and Conditions available for viewing
or download at www.wepa-professional.de.

*Spotlight
of the year!*

Our strategy for your success!

The WEPA Professional brands – a coordinated international range of products that hardly leaves any customer wishes unfulfilled and guarantees you a memorable appearance, individually or as an entire product family.

Accredited products – for all those who think efficiently and are ecologically aware – because the protection of the environment is just as important to us as economic success, quality and labour safety.

The ISO standards 14001 (environment), ISO 50001 (energy and EMAS) are integral parts of our management system. We also meet the quality management standard ISO 9001 as well as the global standard on obtaining raw materials from sustainable forest management, FSC (Forest Stewardship Council). In addition, numerous WEPA products were awarded the EU ecolabel and the "Blue Angel" by the German Ministry of the Environment.

You can download all certificates at www.wepa-professional.de

Your own brand by WEPA Professional – we have been a specialist for factory brands as well as customer brands for many years.

Carry on your brand concept with WEPA and supplement it with, for example, toilet paper or paper towels. Enhance customer loyalty or match the design to your individual requirements. Our distribution and marketing team will support you and help you with additional tips and tricks and give you information about what conditions and minimum quantities are required for your own brand.

Brand

Quality and environment

Toilet paper, small rolls
WEPA prestige, WEPA comfort and WEPA smart

Brand structure and list of products

The premium quality made of supersoft cellulose with the greatest whiteness and best absorption.

FSC®-Mix-certified

- Paper towels, format tissue
- Paper towels, format crepe
- Paper towels rolls
- Toilet paper small rolls
- Toilet paper single sheet
- Toilet paper large rolls
- Cleaning rolls
- Paper towel rolls centerfeed
- Kitchen rolls
- Facial tissues
- Handkerchiefs

The recycling quality for the highest demands in hygiene and ecology, packaged in foil that is especially efficient and conserves resources.

EU ecolabel

- Paper towels, format tissue
- Paper towels, format crepe¹⁾
- Paper towels rolls
- Toilet paper small rolls
- Toilet paper single sheet
- Toilet paper large rolls
- Cleaning rolls
- Paper towel rolls centerfeed
- Kitchen rolls
- Facial tissues
- Handkerchiefs

The smart starter products by WEPA. Good recycling quality at economic prices.

EU ecolabel or "Blue Angel"

- Paper towels, format tissue
- Paper towels, format crepe
- Paper towels rolls
- Toilet paper small rolls¹⁾
- Toilet paper single sheet
- Toilet paper large rolls
- Cleaning rolls
- Paper towel rolls centerfeed
- Kitchen rolls
- Facial tissues
- Handkerchiefs

¹⁾ no environmental certification

Less is more!

Reduce consumption, not quality!

With our self-presenting paper towels (Z and W fold), you will be sure to save money, time and material, for example compared to C fold products

Z and W folded towels are your best choice both economically and ecologically with respect to logistics, transport, storage and consumption

Consumption example:

1 box of folded towels, completely unfolded (Z and W fold)

3 boxes of folded towels, layer fold (C fold)

LESS expensive for transport, storage and logistics

LESS personnel required due to long refill intervals

LESS consumption due to completely unfolding towels

LESS consumption, thus less packaging material, less waste and less contamination of the environment

MORE hygiene through clean single towel dispensing

Accredited with FSC®-Mix-Certification

Self-unfolding paper towels, Z&W pleat, in premium quality.
100% cellulose – extremely absorbent and tear-proof.
